

What goes on behind the scenes!

Two+ weeks before your party

Once you book your party, the first thing we do is reserve the location. We put together your invitations, and mail them with our birthday packet for you to complete and send back. Please remember without the appropriate consent children will not be able to participate!

The week of your party

After confirming all the details and getting a final head count, we start prepping for the big day. Gym Zone staff fills piñatas and treat bags. This is when we will also pick the best available staff to run your party based on your needs to ensure that you have an amazing day!

The day of your party

This is your time to sit back and have fun! We prepare the food and drinks, and get all the decorations and goodie bags ready. We will also have extra waiver forms just in case someone forgets theirs. We prepare for any bounce house requests by starting to set it up 45 minutes before your party time. If you ordered a piñata, it is hung in anticipation of party fun! All you have to do is show up and have fun, and bring the cake!

During your party

Our amazing staff entertains your guest of honor and his or her friends with games, obstacle courses and more! Any requests for games or activities? Just ask—we're here to please! One staff member cooks the pizza and serves the food and drinks. We cut and serve the cake (after bringing it to your child to blow out the candles!), and make sure everyone gets a chance to eat before we go back out to play. While you're enjoying the party, one of our staff cleans up and packages any leftover food to go home.

At the end of the party

We will gather you and your guest around the Equipment for some amazing picture. Each guest is given a goodie bag, and the birthday boy or girl gets a special birthday medal! We collect the presents and can even help you load them in the car.

A lot of hard work and preparation goes into a Gym Zone birthday party, and we hope that you appreciate the moment to sit back, relax and enjoy the party!
